DBSA Colorado Springs self-help support groups are **free!** You don't have to register, sign up, or pay a dime to attend.

Our support groups offer people an opportunity to share personal experiences and learn coping skills from one another. **Studies have shown that DBSA support groups can indeed help people with mood disorders get back on the road to wellness!**

Mood Disorder Spectrum

Depression

- Prolonged sadness; unexplained crying spells
- Significant changes in appetite and sleep patterns; unexplained aches and pains
- Irritability, anger, agitation, anxiety
- Pessimism, indifference, worry
- Loss of energy, persistent exhaustion
- Feelings of guilt, worthlessness and/or hopelessness; social withdrawal
- Inability to concentrate, indecisiveness
- Inability to take pleasure in former interests
- Excessive consumption of alcohol or use of chemical substances
- Recurring thoughts of death or suicide (This symptom *alone* indicates the person should see a doctor—regardless of any other symptoms.)

Mania

- Increased physical and mental activity
- Exaggerated optimism and self-confidence
- Grandiose thoughts, inflated sense of self-importance; increased energy
- Excessive irritability, aggressive behavior
- Decreased need for sleep without feeling tired
- Racing speech, racing thoughts
- Reckless behavior such as spending sprees, impulsive decisions, erratic driving and sexual indiscretions; impulsiveness, poor judgment
- In severe cases, delusions and hallucinations
- Denial that anything is wrong

Post Traumatic Stress Disorder (PTSD) Symptom Checklist

1. Bothered by unwanted memories, nightmares, flashbacks, or reminders
2. Loss of enjoyment for things, avoiding people
3. Difficulty experiencing feelings
4. Hypervigilance
5. Dissociative Identity Disorder (DID)
6. Poor sleep, poor concentration, irritability
7. Feeling concerned or untrusting about activities and people
8. Addictive behavior

Steps Toward Recovery

1. Peer Support
2. Professional Therapy
3. Medications as prescribed
4. Healthy Diet
5. Regular Exercise
6. Increase Your Knowledge about Mood Disorders to Help Yourself and Your Family

DBSA Colorado Springs offers the community a free lending Library housing a comprehensive collection of books, videos, DVDs, journals, and articles on dealing with mood disorders.

DBSA Colorado Springs also offers the community free lectures on subjects of interest, and puts out a quarterly newsletter created by our members who share their recovery stories.

Call 719-477-1515 or visit www.DBSAColoradoSprings.org for the latest information.

DBSA Colorado Springs does not provide treatment, but offers a free supplement to medical, pharmacological, and psychotherapeutic treatment.

Free Depression, Bipolar, Anxiety and Post Traumatic Stress Disorder screening can be arranged by appointment. Call DBSA-CS at 719-477-1515

The DBSA Colorado Springs Community Resource Center is near downtown at 2132 E. Bijou Street, Suite 112, Colorado Springs, 80909; 3 blocks east of Union Blvd and ¾ of a mile west of Circle Drive.
